CUSTOMER BONUS REQUIREMENTS

New IBOs with a start date between 1 July - 31 July 2020 must acquire their customers in their first 30 days unless otherwise stated above. The time in which customers count toward IBO qualifications varies by product type. Refer to the Order Entry Timelines to ensure customers are submitted in time to qualify toward the bonus. IBOs must be Customer Qualified to earn bonuses. ACN reserves the right to retract bonuses for customers who fail to connect to the applicable service.

Terms and Conditions:

All Bonuses: ACN reserves the right to remove or not award the bonus point or to retract the award of this promotional bonus where service cancellations occur, including when this occurs outside the promotional period or where fraud, misconduct, or if any other reasonable circumstance suggests the IBO is ineligible to receive the bonus point or promotional bonus. Customer Acquisition Bonuses are GST exclusive. Refer to the Compensation Plan for position qualification requirements. IBOs must have completed the Customer Acquisition Code Accreditation and other relevant accreditation (i.e. AU Vodafone and Energy Accreditation Training), by the conclusion of the bonus period/s stated above. IBOs must be qualified and active as at the conclusion of the bonus period/s stated above. Customer Acquisition Bonuses and Additional Customer Bonuses will be generated for payment each Thursday and paid to eligible IBOs by the following Tuesday.

1. **Click Energy and amaysim:** A service is defined as one electricity NMI referred to Click Energy or amaysim via ACN approved methods. This promotion applies to new to Click Energy or amaysim, credit approved customers only. Excludes customers transferring their service from Click Energy to amaysim, or from amaysim to Click Energy.
